

dopo

un po' di tempo

i cibi

vanno a male

la durabilità

dei cibi

è

il tempo

che abbiamo

per mangiare

i cibi

prima

che vadano a male

gli ingredienti

sono

tutti

gli alimenti

per preparare

i cibi

che sono

dentro

le scatole

una legge

dice

che sulle etichette

devono essere scritti

tutti

gli ingredienti

alcuni

cibi

fanno

allergia

alle persone

che quindi non possono

mangiarli

una legge

dice

che questi

cibi

che fanno

allergia

devono essere scritti

nelle etichette
