Winnie the Pooh

ha

ancora

fame

.

Cerca

.....

cerca

.....

cerca

.....

trova

del miele

sopra

un albero

.

;

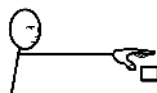

come

può

prenderlo

?

Pensa

,

pensa

,

pensa

.....

idea

!!!!!!

Userò

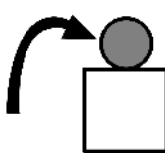

un palloncino

per volare

sull'

albero

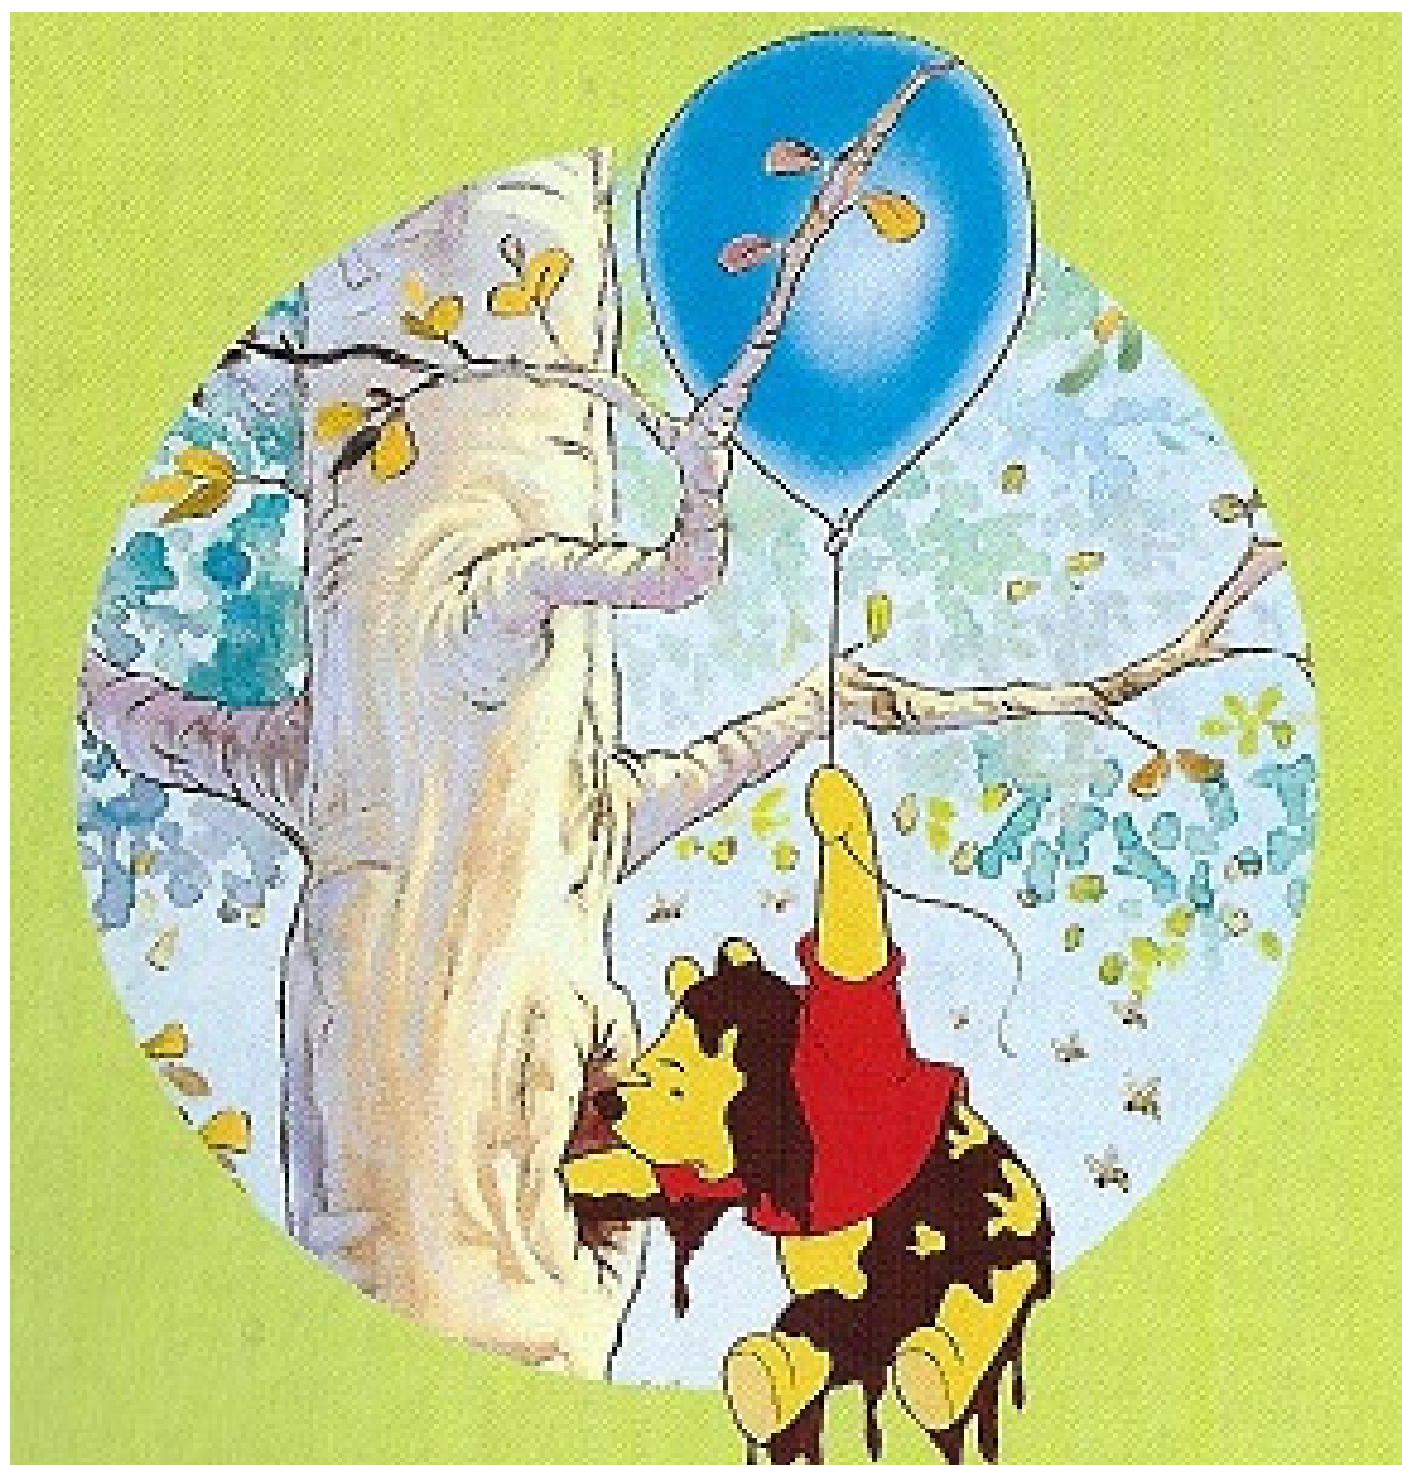

del miele

.

"

"

Winnie the Pooh

si lega

al palloncino

e

sale

sale

su

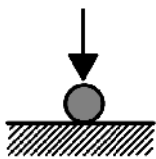

in alto

Ohh...

ecco qui

il miele

.....

Winnie the Pooh

si è sporcato

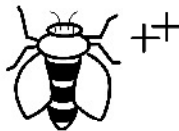

di fango

perchè

le api

non

possano

scoprirlo

.....

“

ahimè

!

fruuu...fruuu

+

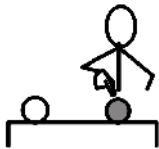

A simple stick figure is shown walking to the right, carrying a rectangular box under its left arm. The figure is composed of a circle for the head and several lines for the torso, limbs, and the box.

Dopo

questa

avventura

Winnie the Pooh

ha

ancora

più

fame

e

decide

di andare

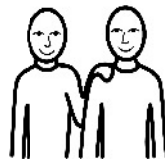

a mangiare

dal suo

amico

Tappo

Ma

Tappo

non

vuole

dare

il suo

miele

a Winnie

perchè

è

goloso

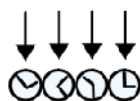

e

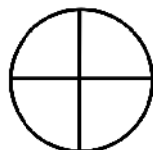

gli mangia

sempre

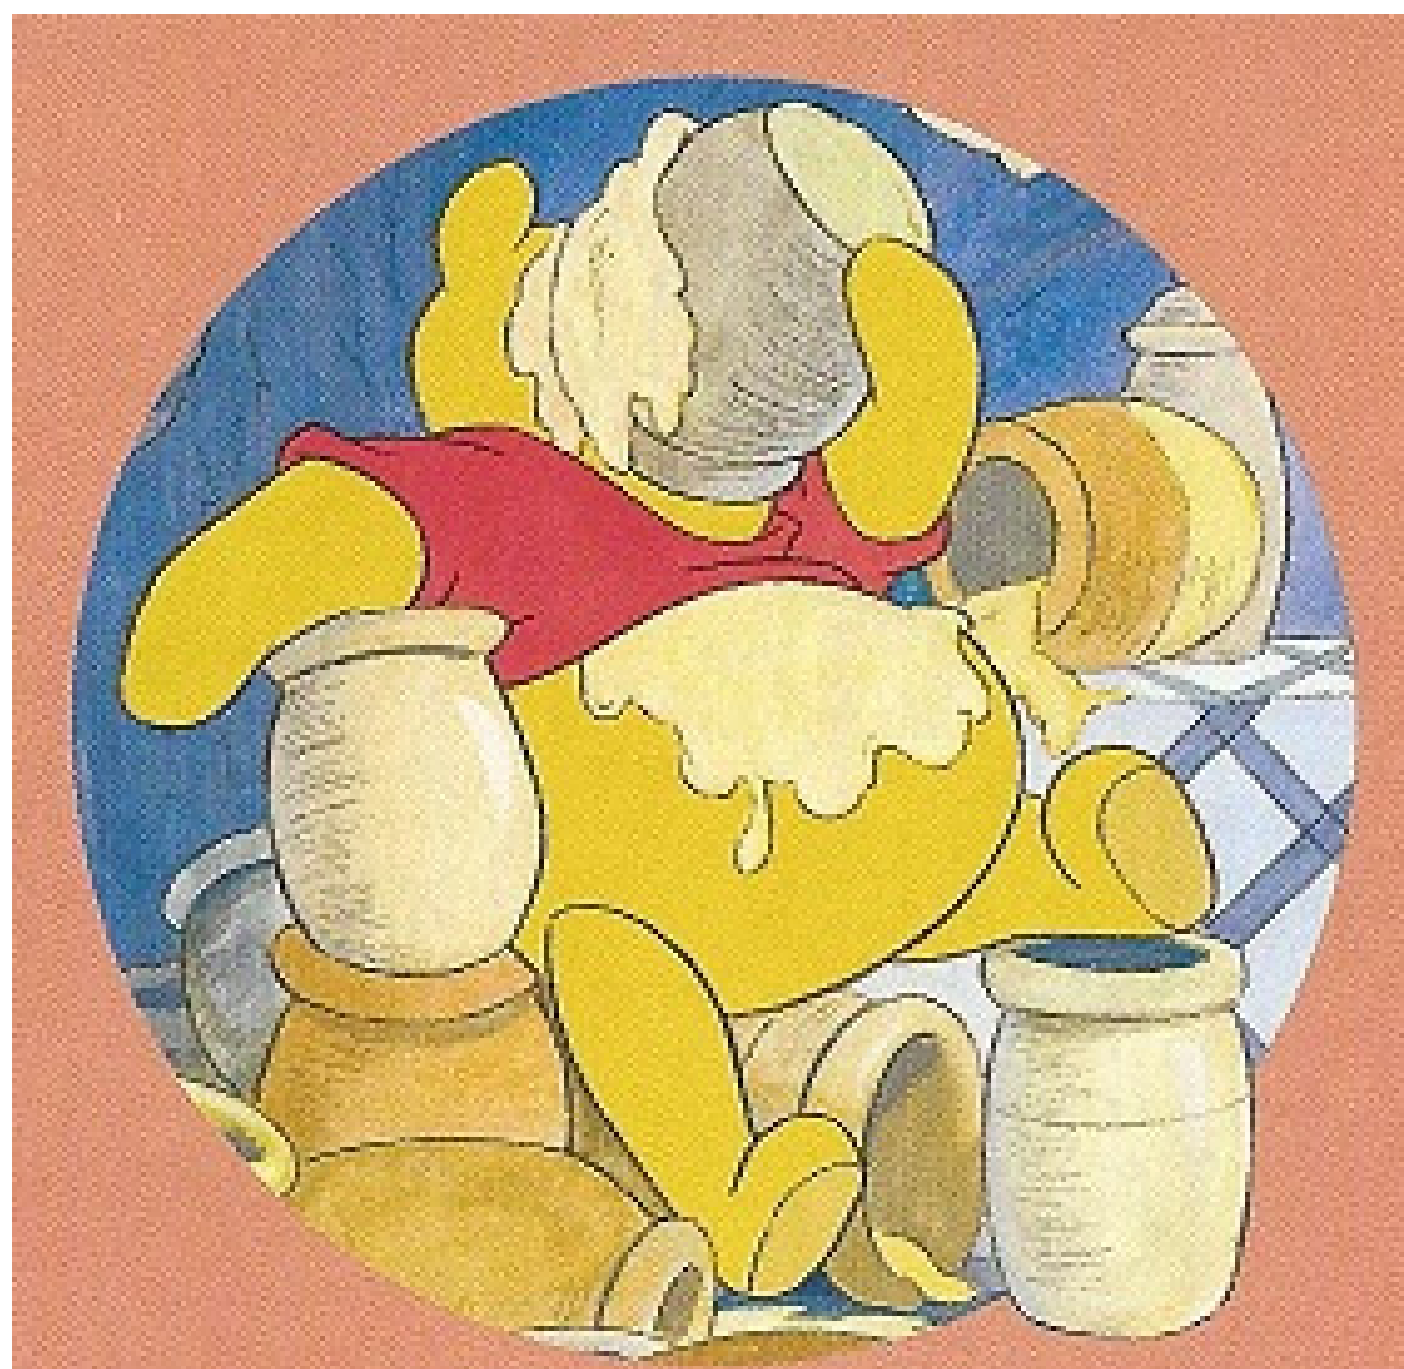

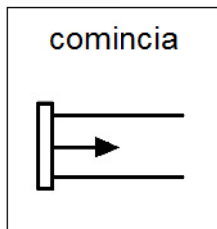

tutto

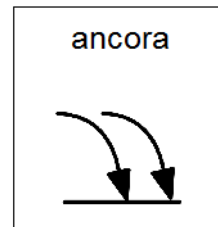

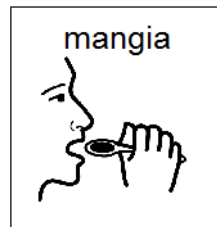

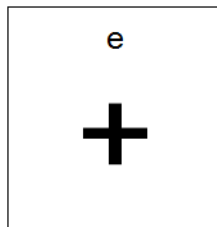

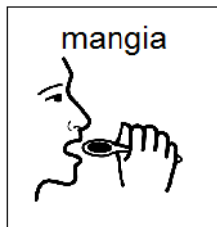

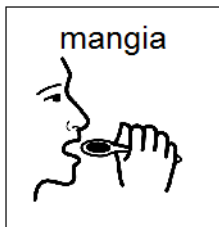

il miele

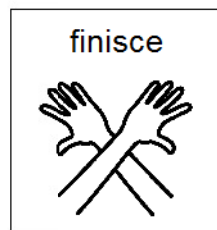

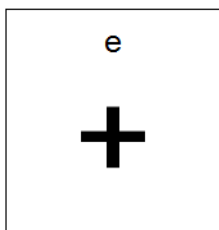

...gnam gnam...

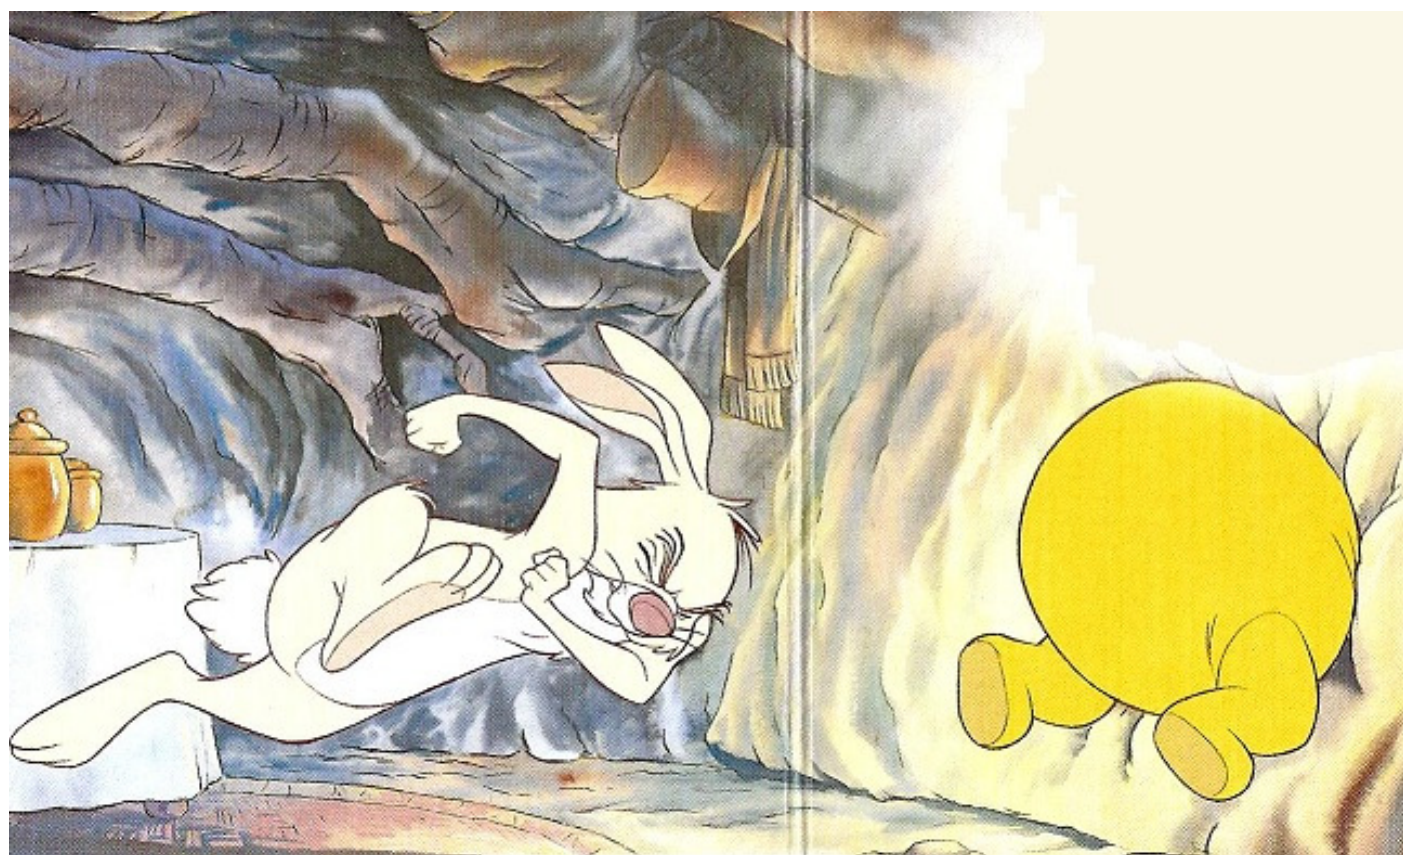

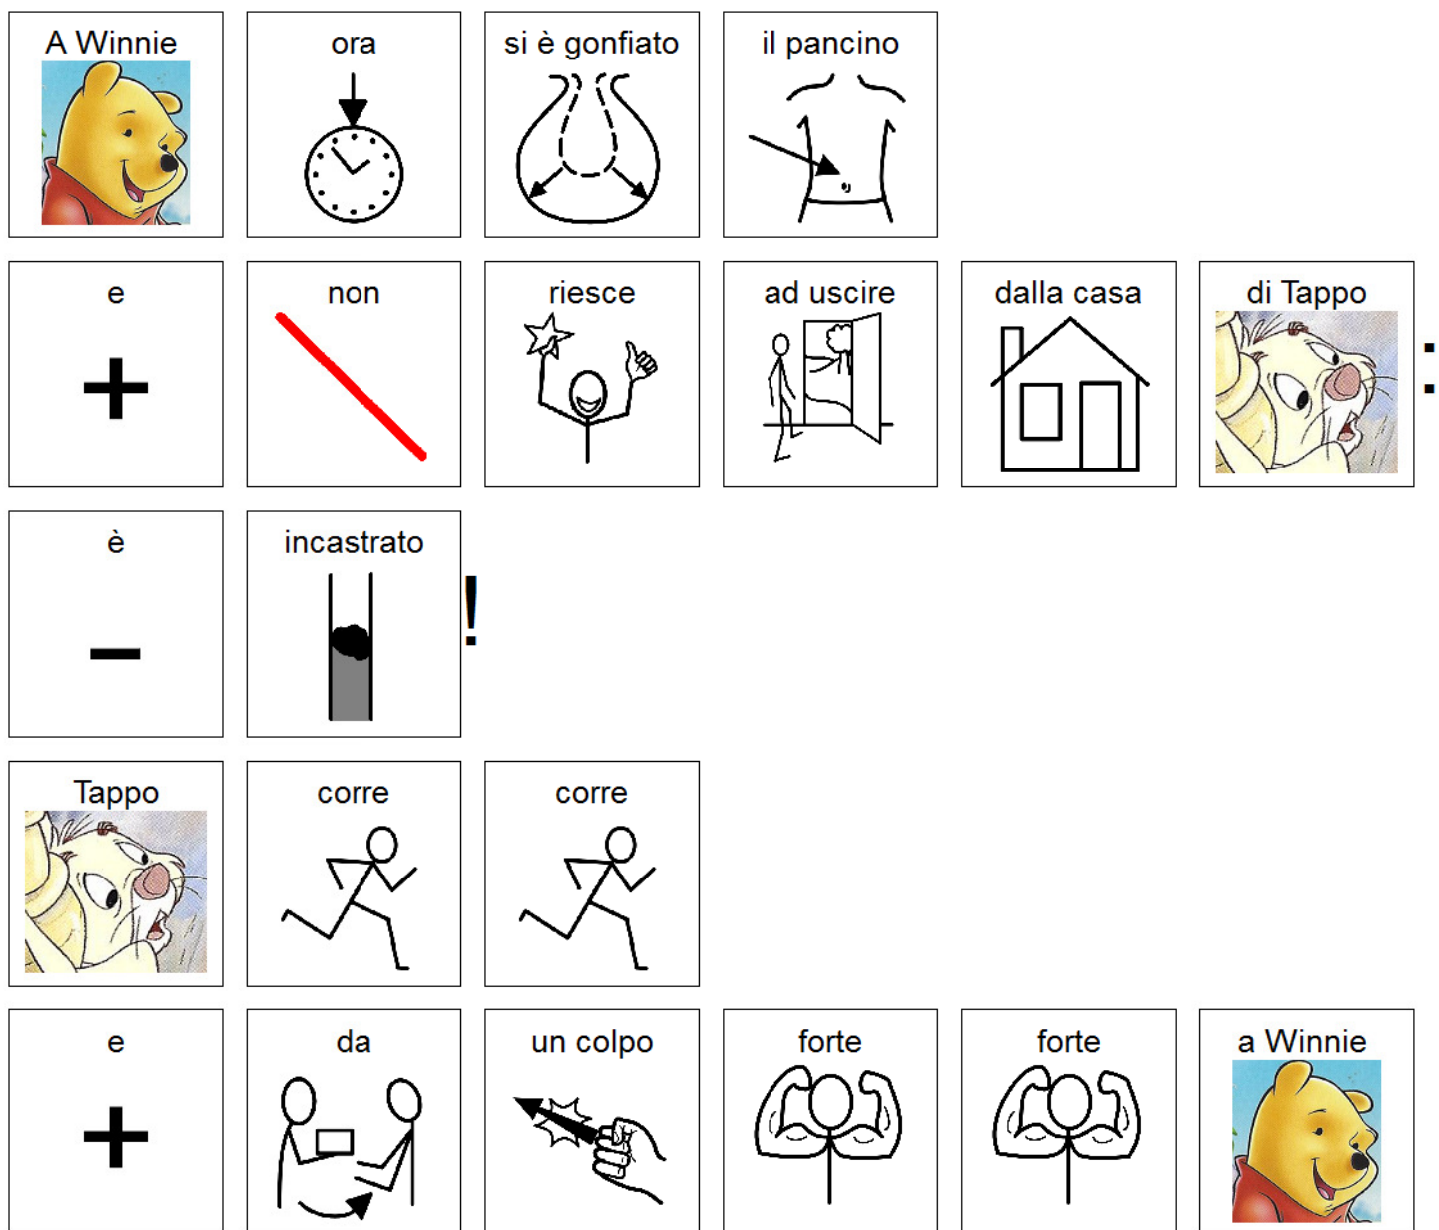

...

...gnam gnam gnam gnam...

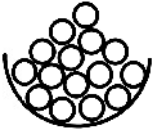

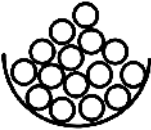

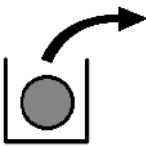

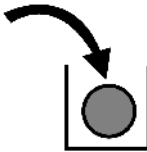

.

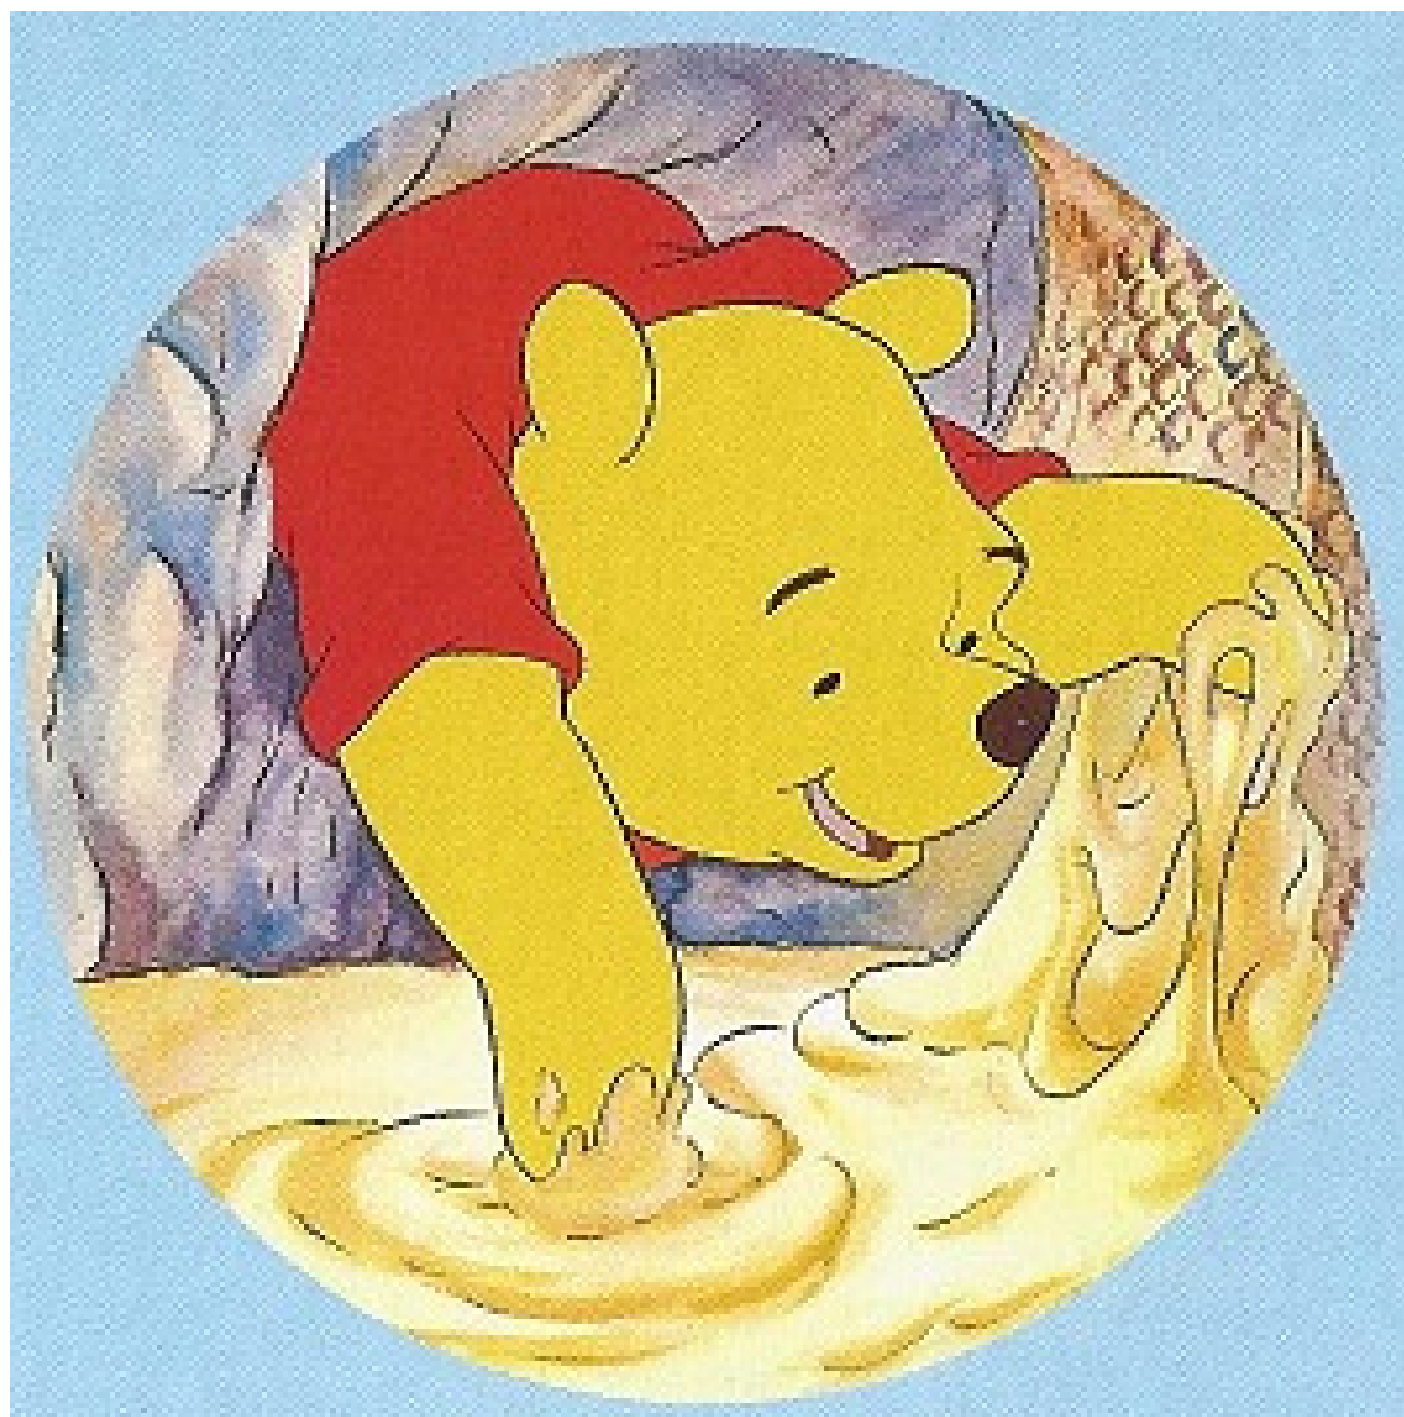

puuum!

Il colpo 	di Tappo 	è 	molto 	molto 	forte 	
e 	Winnie the Pooh 	vola 	fuori 	dalla casa 	.	
Vola 	vola 	vola 	e 			
oh!!!	Winnie 	si infila 	nel 	tronco 	di un albero 	!

+

++

A diagram showing a grey sphere (ball) resting on a horizontal surface. A black arrow points vertically downwards from above the ball, representing an applied force.

Oh...
